spamerů, kujónů a jiných gaunerů

Aktivitu čtenářů mám ráda, ale bohužel se tu ukazuje mnoho uživatelů, pravděpodobně hlavně robotických, kteří nectí dobré mravy a zkouší všude nacpat reklamu na různé léky a drogy, případně se jasně pokoušejí nabourat redakční systém a pak jej zneužít k nějakému svému účelu.

Nějakou dobu jsem jim to tolerovala a pokusy mazala ručně, teďka už však přetekla číše mé trpělivosti a tak jsem se rozhodla pořádně doplnit černou listinu, kterou XOOPS také má, a dala jsem tam všechny ty, kteří tu dělají neplechu, nebo se o to alespoň pokouší.

Postupně chci seznam doplňovat tak, jak to budou zkoušet zase z jiných adres. Stejně je asi falšuj, protože si jinak nedovedu vysvětlit, jak je možné přistupovat z adresy 127.0.0.0. Ale i taková adresa se v logu vyskytuje a to ne zcela ojediněle.

Pokud víte o někomu, kdo se tam dostal nedopatřením, tak mi to dejte, prosím, nějak vědět a já adresu z černé listiny zase smažu. Přeci jenom jich je hodně a člověk občas udělá chybu.
